Auburn Ramps Away With Game 14 to 2—Clarinda and Shenandoah Win.

Mink League Standing.		
	Won.	Lost.
Falls City	17	10
Clarinda	15	13
Maryville	14	14
Auburn	14	14
Nebraska City	12	15
Shenandoah	11	17

**Yesterday's Results.**  
Shenandoah 8, Nebraska City 6.  
Clarinda 3, Falls City 7.  
Auburn 14, Maryville 2.

**Where They Play Today.**  
Maryville at Auburn.  
Falls City at Clarinda.  
Nebraska City at Shenandoah.

Auburn, Neb., June 20.—Auburn got fourteen runs yesterday, the result of sixteen hits off Maryville's pitchers. The local aggregation hit the ball hard throughout the game. Southward was relieved at the end of the fourth by Wray. Zanderman held the Maryville sluggers to six hits. Captain Dietz of the Comets was hurt in the third and retired in favor of Black, who caught a good game. The score:

R. H. E.  
Auburn ..... 31042103—14 16 2  
Maryville ..... 000100010—2 6 5  
Batteries—Zanderman and Musser;  
Southward and Dietz, Wray and Black.  
Umpire—Kiesane.

**Falls City Retains Lead.**  
Clarinda, Ia., June 20.—Falls City retained the lead in the league today by defeating Clarinda in a hard fought game. Score:

R. H. E.  
Clarinda ..... 200000001—3 4 4  
Falls City ..... 100101211—7 9 5  
Batteries—Smithson and Harmony;  
Woods and Vanderhill. Umpire—Fields.

**Shenandoah Wins.**  
Shenandoah, Ia., June 20.—Bunched hits in the third inning won today's game for Shenandoah. Score:

R. H. E.  
Shenandoah ..... 004100201—8 13 3  
Neb. City ..... 001220100—6 13 1  
Batteries—Caroran, Lark and Castle; Wells, Miller and Herman. Umpire—Sage.

**Notes.**  
Pitcher Lark, a former Comet, has been released by the Falls City club. Shenandoah has him signed up for a tryout. The big boy seems to have a hard time getting on in the Mink. He is a good pitcher, but lacks experience.

Captain Dietz is having his share of tough luck this season. Just before he joined the team in May he injured his left hand and was out of the game three weeks. Dietz tore a finger nail off his right hand yesterday and also got his knee cap bumped. He will probably be out of the game for a week.

That Auburn aggregation was certainly hitting yesterday. Southward

was taken out in the fourth after eight runs had been scored. Dick Wray finished the game but could do little with the sluggers.

The Comets are getting cityfied. They have a hospital list.  
Joe Wintz took sick last night and it is not known whether he will perform today. The team will be badly crippled without "Germany Joe's" services.

Johnny Wise will do the twirling for the Comets today and Black will be behind the bat.

Auburn tied the Comets for third place by winning yesterday.

## HOPKINS STEPS IN ON SAINTS' HIGHWAY

Mr. G. B. Roseberry was notified this morning by Mr. Ed Wolfers, Sr., that Hopkins would be in the "Saints Highway," and that he wished the signboards to be placed as soon as possible.

This move on the part of Hopkins makes a sixty-five mile drive from Maryville through Bedford and around.

The automobile owners in favor of the ridge road will be glad to hear of this step on the part of our northern neighbors.

## SOLD HIS POTATOES AT \$2.40 A BUSHEL

At least one Nodaway county farmer has benefited by the sharp rise in prices of potatoes during the last two weeks. H. Crawford, living near Ravenwood, drove to Maryville Tuesday morning with about half a load of potatoes and went back home with \$68 in cash. Mr. Crawford was feeling rather jubilant over his good fortune in getting his potatoes to market with the price as high as it is, and said he would immediately market the rest of his surplus, about 150 bushels. What he sold Tuesday morning brought him from \$2.00 to \$2.40 per bushel.

## TO COMMENCEMENT AND ALUMNI MEET

Rev. Father Henry Niemann of St. Patrick's Catholic church left Monday for Atchison, Kan., to be present at the annual meeting and banquet of St. Benedict's college. He will also attend the commencement exercises of Mt. Saint Scholastica's academy. One of the graduates is a member of St. Patrick's parish of this city—Miss Sarah McGettigan, a daughter of Judge Michael M. McGettigan, living north of Maryville.

Father Niemann will not return before the last of the week.

## POLAND-CHINA BOARD MEETING

The board of directors of the Standard Poland-China Record association is holding a meeting Tuesday afternoon in Maryville, in the office of the association's secretary, George F. Woodworth.

The members of the board are W. G. Garrett of Maryville, president; C. E. Tennant of New Hampton, Mo.; J. L. James of Braddyville, Ia.; S. McKelvie of Fairfield, Neb.; J. I. Roberts of Renfrow, Okla.; R. E. Maupin of Pattonburg, Mo., and John B. Potter of Harper, Kan.

All the members are here except the gentleman from Oklahoma, who missed train connections in Kansas City Tuesday morning.

## PLENTY OF WORK FOR ATHLETES AT NORMAL

There will be plenty of work for the athletes at the Normal this summer. A tennis club was organized last Saturday. The playing schedule will be completed in a day or two and then the courts will be opened. The gymnasium classes will soon start, as some \$400 worth of apparatus has arrived and is being installed as rapidly as possible.

Judge I. K. Alderman went to Arke Monday evening on legal business.

G. W. Crossan went to Hopkins on business Monday.

Hammocks at best values at Crane's.

## PLANS ARE READY

CHAUTAUQUA PROGRAM FOR THIS FALL IS ABOUT COMPLETED.

## CAMPING TO BE FEATURE

Auditorium Tents Will Be 130x170 Feet, While the Family Tents Are Expected to Number Over 100.

The plans for this year's Chautauqua are now practically completed, and Prof. Landon looks for it to be a success. He has engaged all of his talent except the band numbers, and he hopes to have that matter attended to soon.

One of the musical features of the Chautauqua will be the morning concerts.

The tenting facilities have been arranged for and it is expected that the number of campers will exceed those of any previous year.

Two years ago there were one hundred tents engaged, and many more people expected to tent last year, had the Chautauqua been held in the Normal park. Mr. Landon has secured tents for this year ranging in size from the small single tent to a large six-room tent for the accommodation of families.

These tents are already being engaged and many more will be spoken for from now on. They are new and guaranteed to stand the weather.

The auditorium tent is 130x170 feet and will amply hold the audiences.  
Mr. Landon is trying to work up a farmer boys' encampment under the supervision of Prof. Albert Hogan and Prof. John E. Cameron. This encampment will last for three days and the boys will be given a short course in a few of the principles of agriculture.

The experimental farm will be used as a demonstration ground, and actual observations can be made as to the value of the different methods of corn planting, tillage, crop rotation, and fertilization. It is hoped that this feature of the Chautauqua will meet with the favor of the boys of the surrounding country, and that a large encampment may be had.

## News of Society and Womens' Clubs

**O. D. O. Club.**  
The O. D. O. Bridge club will be entertained Thursday morning at 9 o'clock by Miss Della Grems.

**Will Give Reception.**  
The Epworth League of the First M. E. church will give a reception to the State Normal students this Tuesday evening.

**Sunday Dinner Guests.**  
Mr. and Mrs. J. Ed Costello entertained at dinner Sunday Mr. and Mrs. D. E. Hotchkin and little son, Ralph.

**W. R. C. Social Postponed.**  
The annual ice cream social that was to have been given last Saturday on the court house lawn by the Woman's Relief Corps has been indefinitely postponed. The rain of last Saturday prevented the ladies giving their social at that time.

**A Morning Party.**  
Mrs. N. Sturm and daughter, Miss Clara Sturm, will entertain at cards and dominoes Wednesday morning at 9:30 o'clock, in honor of Mrs. John J. Walsh of St. Joseph and Mrs. E. B. Husted of Galesburg, Ill. Mrs. Walsh and little son, Richard Sturm, arrived Monday night for a visit with her parents, Mr. and Mrs. N. Sturm, and Mrs. Husted came Tuesday morning to be the guests of Miss Sturm.

**P. E. O. Chapter.**

The P. E. O. chapter met in a business session with Mrs. M. G. Tate Saturday evening to hear the report of Miss Lella Bonewitz, who represented the local chapter at the state meeting at Trenton last week, and was elected for the second time to the office of state corresponding secretary. About twenty members were present and much interest was manifested by all in the report of the state meeting. The hostess served a lovely luncheon at the close of the business hour.

**Council Bluffs Dinner Guests.**

Mr. and Mrs. Frank L. Garrett entertained at dinner Monday Miss Georgia Condon, Mrs. B. E. Condon, Mr. and Mrs. Clarence An-

draws and their son, Guy Andrews of Council Bluffs, who have been in the city since Friday night the guests of Mr. and Mrs. Clark Andrews and Mr. and Mrs. Ed L. Andrews. The Iowa visitors left Monday afternoon for their home in their touring car, accompanied by Mr. Andrews' cousin, Miss Fannie Andrews, and Miss Georgia Condon.

**Mothers' Circle Meeting.**

At the Mothers' Circle Friday afternoon Mrs. E. G. Leake gave a most interesting talk on "The Mental Characteristics of the Child," and of the mother's duty in placing before her child the proper literature for its development. Mrs. Leake also led a splendid round table discussion. Mrs. Berney Harris was appointed chairman of a ways and means committee that is soon to be announced. The program for the next meeting will be given soon.

**Picnic at "Evening Rest."**

Mrs. Anderson Craig has issued a general invitation to the ladies of the First Baptist church congregation to meet at her home, "Evening Rest," Wednesday afternoon for a comfort

## IN TOURING CAR TO NEW YORK CITY

Mr. and Mrs. Theodore Sturm and son and daughter, Raymond Sturm, and Miss Edna Sturm, of Oklahoma City, Okla., are expected to arrive in Maryville the latter part of the week in their touring car. They will spend a few days here with Mr. Sturm's brother, Nic Sturm, and family. Miss Edna Sturm spent several weeks in Maryville last summer with her uncle's family, and her coming is hailed with delight by many friends.

Mrs. S. L. Wickersham of Red Oak, Ia., is the guest of Mr. and Mrs. Vance Westfall. Mr. Wickersham, who is a traveling salesman, was a guest at the Westfall home over Sunday. Mrs. Wickersham will return home Wednesday.

**Attending Convention.**

Rev. Parvin left today for Sparta, Mo., to attend the district Epworth League convention of the Methodist Episcopal church, South.

## HIS 75TH BIRTHDAY

GEORGE S. BAKER CELEBRATED WITH FRIENDS MONDAY.

## IS A PIONEER BANKER

Organized the First Banking Business in the County—Has Always Been Successful.

George S. Baker, who for a half century has been a leading citizen and business man of this city and county, celebrated his seventy-fifth birthday anniversary Monday. He held an informal "at home" all day at the Real Estate bank, where his friends called to extend congratulations and talk over old times while enjoying a good smoke with him. In the evening he was the guest of honor at a family dinner given by his daughter, Mrs. M. G. Tate.

Mr. Baker is in good health and does not near look his seventy-five years. He is the father of the great banking business that Nodaway county is distinguished for having, and the Real Estate bank, of which he is the organizer, is the only bank of that name in the United States.

Mr. Baker was born in Madison county, Kentucky, June 19, 1836, and came with his parents to this county in March, 1851. He began a business life for himself at the age of 15, and his success is due to a determination to win that has been tried and tested in many a hard struggle. He attended the common schools of our county whenever he had opportunity, and supplemented that schooling with the best reading he could find. He was successful as a farmer and stock raiser and in buying and selling stock, and it was in 1868 that he organized the first bank in the county, known as George S. Baker & Co., bankers, which afterward became the Nodaway Valley bank. In 1874 he organized another bank, known as Baker, Saunders & Co., which afterward became the Maryville National bank. In 1896 he organized the Real Estate bank. All of his business ventures have lived and are eminently successful.

He has many friends who are glad to know that the many busy years have worn him but little, and that he is still actively engaged in business.

## NOT MUCH DOING IN CIRCUIT COURT

Very little was done in circuit court Tuesday. The morning session was taken up with the calling of several cases which had to be postponed because of the absence of the parties in the case.

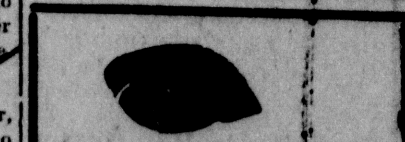

The parole of Levi Kelly was revoked and he was taken into custody by Sheriff Tilson.

The men empaneled for jury service were called at 1:30 in the afternoon and after some instructions by Judge Ellison court was adjourned for the day.

Mrs. P. L. Flite, living northeast of Maryville, left Tuesday morning for Garden City, Kan., to visit the families of Dr. Hamer and Edgar Pyle.

### RAVENWOOD.

We had a nice gentle rain Saturday. But the ground was so very dry a few hot days will make us need more moisture. All vegetation has been much benefited, especially gardens. Potatoes are already badly damaged. We have a fine prospect now for a large crop of corn.

Sunday was Home Coming day at Harmony church. We learn there was a large congregation present. The preaching by Rev. Foote of St. Joseph and Rev. Parvin of Maryville was good and the dinner very good, and plenty of it.

Sunday night was Children's day service at the M. E. church in Ravenwood. The audience was very large and the services highly enjoyed.

Mrs. Taylor, wife of Rev. R. C. Taylor of Oklahoma is visiting old friends here. Rev. Taylor was pastor of the M. E. church in Ravenwood four years.

Some of our best citizens are now advocating much improvement on some of our country roads, especially one commencing at Des Moines or some other northern point and passing through Nodaway county to St. Joseph. They have a very peculiar name for the road. I think they call it the "Saints Highway." I do not know the significance of the name. They will probably change it if they find one more appropriate.

### Is Guest of Nephew.

Washington Bridgeford of Freedom, Neb., arrived in Maryville Tuesday noon and is the guest of his nephew, John B. Cox and family of East Second street. Mr. Bridgeford is Mr. Cox's only uncle. He will leave in a few days to visit at Chanute, Kan.

### Expert Demonstrator.

J. L. Hoyt of Kansas City, amateur champion typist, gave a demonstration Monday at the Normal school and at the Business college on the Underwood typewriter. He averaged ninety-four words a minute for thirty minutes.

### Up in the Country.

Fred Lewis is spending the week with Elmore Frank, on the farm of his host's father, J. D. Frank, fifteen miles north of Maryville.

Mr. and Mrs. J. H. Harris and daughter, Ursel, of Waurita, Okla., arrived in Maryville Saturday night on a visit to Mrs. Harris' parents, Mr. and Mrs. John W. Coleman of East First street.

Mrs. Larry Cochran, Mrs. J. L. Murphy and Miss Maggie Roberts of Leno, Mo., came to Maryville Tuesday morning for treatment at St. Francis hospital.

## IS ACTOR IN BELLE STOCK COMPANY

Mrs. Madeline Caffrey of Hopkins and her son, Frank Caffrey of Chicago, came to Maryville Sunday morning to be the guests of Mrs. Caffrey's cousin, Mrs. John H. Aley, and family. Mrs. Caffrey returned to her home Monday noon, but her son has remained for a few days longer.

Mr. Caffrey has been a member of the Belle Stock Theater company of Chicago during the past year and will play in the same company the coming year. He had character parts in "Du Barry," "Damon and Pythias," "Polly of the Circus" and other equally good plays. He is working to show himself worthy a high place in his profession, and if his student record of the past is a criterion, he will accomplish his purpose.

He is a graduate of Northwestern university, from the department of oratory, finishing in the class of 1910. Before going to Northwestern university he was a student at Baker university of Baldwin, Kan., and was a member of the university ball team.

Mr. Caffrey talks very interestingly of his work and believes the theatrical stage is gradually becoming a great service for good to the public. He is among those who are endeavoring to give to the world the best things the best writers and thinkers are capable of producing. He considers "A Servant in the House" the greatest play on the stage today.

Mr. Caffrey was born in Maryville, and of course stands in line with all who have preceded him in making good and is bound to succeed.

Ora Saylor of Hopkins spent Sunday in Maryville, the guest of Judge and Mrs. J. H. Saylor. He was accompanied home by Miss Doris Saylor for a few days' visit. They were accompanied as far as Hopkins by Miss Vera Saylor, who returned to her employment in Albia, Ia., after a week's vacation visit with her parents, Judge and Mrs. Saylor.

Mrs. S. B. Moore and baby boy, Lester Burdine, living on South Market street, left Monday evening for Uniontown, Kan., for a month's visit with her sister-in-law, Mrs. C. F. Ashford.

Mrs. W. M. Snyder and children, Helen and Harold, of Barnard, visited in Maryville Monday at the home of her husband's parents, Mr. and Mrs. Richard Snyder.

Miss Martha Koch, Miss Ora Barwain and Miss Frances Keeler are at home from their school work at Sacred Heart convent at St. Joseph, for the vacation months.

Miss Ella Walton Frank, who has returned from her studies at Drake university, was accompanied home by a classmate, Miss Eva Williams, the daughter of Mrs. C. C. Williams, formerly of this city, but now of Des Moines. Miss Frank made her home with the Williamses while there.

## PACKERS MUST STAND TRIAL

Motion of Chicago Men to Set Aside Indictments Overruled.

CASE COMES UP IN OCTOBER.

Motion of J. Ogden Armour and Nine Others for Rehearing Based Upon the Recent Decision of Supreme Court is Denied by Judge Carpenter.

Chicago, June 20.—Judge George A. Carpenter in the United States district court denied a motion of J. Ogden Armour and nine other Chicago packers for a rehearing of their motion to quash indictments charging violation of the Sherman antitrust act. This means the packers must stand trial.

No written opinion had been prepared by Judge Carpenter and he gave no reason for his finding. It is now expected the trial will be reached about next October.

The latest motion of the packers for a rehearing of their motion to quash the indictment was based upon recent decisions of the United States supreme court in the Standard Oil and American Tobacco cases that the word "unreasonable" had been held within the meaning of the statute.

The counsel for the packers held that there had been no "unreasonable" restraint of the packing industry and that a new hearing should be granted. They also pleaded that the provisions of the Sherman act were too indefinite to warrant the return of indictments or prosecution for alleged violation of its prohibitions.

The packers under indictment and who were moved nearer to trial by the decision are: J. Ogden Armour, president of Armour & Co.; Louis F. Swift, president of Swift & Co.; Edward F. Swift, vice president of Swift & Co.; Charles H. Swift, director of Swift & Co.; Edward Tilden, president of the National Packing company; Arthur Meeker, general manager of Armour & Co.; Edward Morris, president of Morris & Co.; Francis A. Fowler, director of Swift & Co.; Thomas J. Connors, superintendent of Armour & Co.; Louis H. Heyman, manager of Morris & Co.

### M'NAMARA KIDNAPERS HELD

Court Orders Grand Jury to Consider Case Further.

Indianapolis, June 20.—Judge Markey of the criminal court issued an order that J. A. G. Badoff and Walter Drew, who are connected with the National Erectors' association; Assistant District Attorney Ford of Los Angeles and Frank Fox, who drove the automobile that carried John J. McNamara out of town at the time of his alleged kidnaping, are to be held until the court has taken time to examine the testimony taken in their cases by the grand jury.

The grand jury discharged the men, but Judge Markey instructed the next grand jury to resume the investigation as to their conduct.

Judge Markey also instructed the surety company on the bonds of Detective W. J. Burns to have Burns in court by July 15, by reason of his indictment on kidnaping charges.

### Wheat Damage Sends Market Up.

Chicago, June 20.—Sensational reports of crop damage in the northwest made the wheat market go skyward. Closing prices were strong at a net advance of 1½¢ to 2½¢. According to some authority the crop in the rich Jim river valley, South Dakota, has been almost entirely destroyed. Other large sections in the same state and through southern Minnesota and northern Iowa were also reported to be in a bad way.

# A Big June Sale of New Axminster Rugs in Fall 1911 Patterns

AN opportunity was presented to us whereby we were enabled to get our new axminster rugs for fall at a very favorable price, and to have them shipped at once, six weeks earlier than usual. They arrived late yesterday and will be placed on sale for the remainder of June at prices that make them most unusual values.

In the entire shipment, and it was a big one, there is

not one pattern that we have every shown before

Every pattern is absolutely new and different, whether it is a floral, an oriental or a persian, and there are no duplicates. The softest of colorings are used to make the harmonious color combinations which are drawn by the very best designers. Rugs suitable for every purpose are in this assortment. An idea of the size of the shipment may be gained when it is known that in the 9x12 size there are

four entirely different grades represented by four prices:

\$20 \$22.50 \$25 \$27.50

As complete a showing as will be found in any large city and at prices that are decidedly lower.

For instance, take the axminster rugs that we price at \$25 and \$27.50. In any large city these rugs, in exactly the same quality, are always sold in a regular way for \$32.50 and \$30 each. The patterns we show are the very highest grade, orientals, florals and persians, such as you will not find outside of the large cities. This is a concrete example of our policy that when you buy here you get the advantage of city assortments and our low prices. It is only by buying in large quantities that we are able to command such favorable value.

The rugs we quote at \$20 and \$22.50 are from \$5 to \$7 cheaper than regular prices. The patterns are exclusive effects in rich soft browns, tans, greens, reds, etc.,—not one undesirable pattern in the lot, in fact, they are the best we have ever had on our floor.

Tomorrow morning we will have the first showing of these axminster rugs, in the fall 1911 patterns, at these prices. Even if you are not prepared to buy rugs now we cordially invite you to come and see the new patterns.

Every rug is new; every rug is the best quality;  
every rug is an unusual value.

\$15 Tapestry Brussels Rugs  
\$9.95

Tapestry brussels rugs, four patterns, size 9x12, \$15 qualities, to close out the Mercantile stock, for .....\$9.95

Velvet rugs, five to select from, size 9x12, \$19 quality, to close out the Mercantile stock, choice for ..... \$13.50

## GOOD MEETINGS IN PROGRESS AT BEDISON

The revival services in the Christian church at Bedison is progressing in interest with every service, the congregations are growing larger even in this busiest time of the year. The meetings are being conducted by District Evangelist J. A. McKenzie, formerly pastor of the Mitchell Park Christian church, St. Joseph, and for six years state evangelist of Iowa. His sermons are scriptural and instructive, and many are explained by the use of charts and other means of explanation. The evangelist gives a five minute object lesson to the children before each sermon that is received with pleasure and profit by young and old.

It is expected to revive the work at this place, secure a pastor and continue the services to the church. Already a very interesting and helpful Bible school is being conducted in the church, under the superintendency of Tommy Young and a corps of competent teachers. The outlook is promising for a good church at this place. There has not been a preaching service in the church for over one year, and the people are hungry for the Gospel. The community is composed of some of the most prosperous and intelligent people in the state of Missouri, and they are anxious that the gospel be preached. We most cordially invite the public to attend our services. We begin at 8 p. m. and close at 9, or as nearly as we can. It is a busy time, we know, but it ought never to be too busy to look after the welfare of our children and our own salvation. We will have to meet God some time, and it will be a poor excuse to tell Him we were too busy to do His work. Your soul is worth more to you than all the world. Come and enjoy these meetings.

### PLATTE VALLEY.

Wheat harvest here in the valley is now in full blast.

Wheat is filled out pretty well and there is a large crop to harvest.

A. M. E. CONFERENCE  
IN SESSION HERE

The district conference, Sunday school convention and Woman's Mite Missionary society of the St. Joseph district of the African M. E. church met in joint session at 9 o'clock this morning in the A. M. E. church, of which Rev. J. R. Carter of this city is pastor.

Devotional exercises were conducted by Rev. L. H. Harris, after which Dr. R. L. Beal, the presiding elder of the St. Joseph district, preached his annual sermon, which was full of power and spirituality.

After the administration of the holy sacrament the Rev. B. R. Monroe of Gallatin was elected secretary, and the district conference proper was opened and proceeded to business.

Rev. Hamilton, Rev. Brooks and Rev. Brown read papers which were discussed.

Miss Edna Cooper of Trenton is superintendent of the Sunday school convention, and Mrs. John A. Gregg of St. Joseph is president of the Woman's Mite Missionary society.

The district conference holds its sessions in the mornings, the Sunday school convention in the afternoons, while the Mite Missionary society will hold its sessions during the entire day on Friday. Each evening special programs will be rendered.

Quite a number of delegates are already in the city, and more are expected during the week.

## Typewriting Demonstration.

Mr. Holland and Mr. Hoyt of Kansas City gave a demonstration in expert typewriting at the Business college yesterday. Mr. Hoyt is the amateur champion of the world, and it was amazing to see him operate the machine. Mr. Hoyt wrote from unfamiliar copy at the rate of 120 words per minute without error, and 130 words per minute with one mistake. On familiar matter Mr. Hoyt wrote 207 words per minute blindfolded. Mr. Hoyt uses the touch method as taught in the Business college. The demonstration was much appreciated by students of the college, and served to arouse their enthusiasm and stimulate their energy. Mr. Hoyt won the amateur championship of the world at Madison square garden, New York, in October, 1910, at which time he wrote 94 words per minute for 30 minutes without error.

WORK ON NEW FLOORS  
NEARING COMPLETION

Nearly all of the concrete flooring in the Normal building has been laid and the small amount to be finished will be completed during the vacation in August. The old floors were very poor and cracked soon after completion. The new ones have been put in in good shape and are now being thoroughly tested. A large sand box is placed on a section of the floor and filled with sand to the extent of a pressure of two hundred pounds to the foot. If the floors do not stand the strain they will be strengthened at once.

GRAY HAIR MAKES  
YOU LOOK OLD

A Simple Remedy Brings Back the Natural Color—Dandruff Quickly Removed.

How often one hears the expression, "She is gray and beginning to look old." It is true that gray hair usually denotes age and is always associated with age. You never hear one referred to as having gray hair and looking young.

The hair is generally the index of age. If your hair is gray, you can't blame your friends for referring to you as looking old. You can't retain a youthful appearance if you allow your hair to grow gray. Many persons of middle age jeopardize their future simply by allowing the gray hair to become manifest. If your hair has become faded or gray, try Wyeth's Sage and Sulphur Hair Restorer, a preparation which a chemist by the name of Wyeth devised a few years ago. It is simple, inexpensive and practical, and will banish the gray hairs in a few days. It is also guaranteed to remove dandruff and promote the growth of the hair.

It is a pleasant dressing for the hair, and after using it a few days itching and dandruff of the scalp entirely disappear. This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Special Agent, Koch Pharmacy.

## TEN MILLIONS FOR HAVEMEYER

Organizer of Sugar Trust Given This Amount in Stock.

JAMES H. POST TELLS OF DEAL

In the Meantime It Has Paid Two and a Half Millions in Dividends—Spitzer Tells History of Sugar Weighing Frauds.

Washington, June 20.—With two separate committees of the house delving into the history and operations of the American Sugar Refining company and other sugar corporations, there were brought out surprising tales of riches made over night and sordid stories of alleged frauds against the government.

The special sugar trust investigating committee continued its inquiry into the formation and workings of the big sugar corporations, having before it as a witness James H. Post, president of the National Sugar Refining company of New Jersey.

The committee on expenditures in the treasury department began work on another angle of the investigation, that of the recent weighing frauds at the port of New York, questioning Oliver Spitzer, one of the American's dock superintendents, who was convicted and later pardoned by the president.

Mr. Post told how H. O. Havemeyer had been rewarded for forming the National Sugar Refining company of New Jersey by stock in the refinery worth \$10,000,000, stock which since had earned in dividends \$2,500,000 more. Mr. Post insisted that the \$10,000,000 did not represent only a promoter's profit. Pressed for some explanation of what it did represent, he finally answered:

"Well, here were three refineries put together."

Asked how Havemeyer got possession of the stock, the witness replied: "I sent it to him a few days after I received it."

Spitzer told the committee on expenditures in the treasury department the entire history of the sugar weighing frauds, describing dishonest weighing schemes employed on the sugar docks as far back as 1885.

Denies Attempt to Fix Prices.

That the government has erred in its facts in the formal petition seeking the dissolution of the American Sugar Refining company was the declaration of James H. Post, president of the National Sugar Refining company of New Jersey, when he appeared before the house sugar trust investigating committee.

Mr. Post denied the allegation contained in the government's petition that he was the agency through which in 1894 an attempt was made by two great refining companies to control the sugar market.

Chairman Hardwick of the committee questioned Mr. Post as to the alleged manner in which he, as the head of the National Sugar Refining company in 1894, effected a deal by which his company and the American Sugar company agreed to limit the output of refined sugar and fix prices.

"There is no foundation for that," declared Mr. Post.

Large Body of Water.

The organization of the New Jersey corporation was taken up. The capitalization of the new company, Mr. Post testified, was \$20,000,000, divided equally between preferred and common stock. The companies taken in were capitalized at between \$3,000,000 and \$4,000,000.

"And the difference was water?" inquired Mr. Hardwick.

"No," was the reply. "The companies had valuable properties."

The property of the New York Sugar Refining company, one of the companies bought, Mr. Post said, was worth \$2,500,000, while only \$2,125,000 was paid for it.

"Why was that?" Chairman Hardwick asked.

"It was because competition had been keen."

"And this organization was effected to avoid competition?"

"It had that effect."

### TROOPS GO TO CASES GRANDE

They Will Recapture Town Occupied by Band of Magonistas.

El Paso, Tex., June 20.—Three hundred insurrecto troops left Juarez for Casas Grandes, 150 miles south, where the town was taken Sunday by a band of "Unreconstructed" Magonistas. The last of the insurrecto troops in that vicinity marched to Chihuahua Saturday when Pancho Villa and his command were absent.

There is to be no campaign against the Magonistas in Lower California, for the reason that the Magonistas and other socialists are not going to fight any more. Francisco I. Madero telegraphed General Viljoen to cease preparations for taking an army to Lower California.

See Outline Defense.

Chicago, June 20.—Counsel for Evelyn Arthur See, founder of the "Absolute Life" cult and now charged with abduction of Mildred Bridges, outlined the plan of defense when his trial was resumed. The attorneys declared See was being made the victim of a conspiracy by police and press.

## OPEN REVOLT ON RECIPROCITY BILL

Senator Dixon of Montana Voices Republican Opposition.

THREATEN TO LOWER DUTIES.

Will Help Minority if Measure Passes. Declare It Is Only Fair That Farmer Should Be Able to Buy Supplies Cheaply.

Washington, June 20.—Republican opposition to the Canadian reciprocity bill in the senate reached the stage of open revolt. Led by Senator Dixon (Mont.), who again failed in his demand for an explanation or a speech in favor of the bill from some of the Republican leaders who champion the measure, the Republican opponents declared that if the bill passed, many Republicans would join the Democrats in an attempt to lower the duties on all manufactured products.

"When the cornerstone is pulled out of the system of protective tariff," said Senator Dixon, "when the farmers' products are thrown into a free market, while his purchases continue to be protected, there are many good protectionists in the Republican party who will vote to have the duties pulled down on iron and steel, chemicals, cotton and many other things."

Other northwestern Republicans signified by their approval of the Montana senator's words that the passage of the reciprocity bill, which it is admitted will have a majority of the votes in the senate, will be attended with a fight that threatens to throw open the whole tariff subject.

"We want to make one killing," declared Senator Crawford (S. D.). "We find the senators from Pennsylvania, New York, Connecticut, Massachusetts and Maine, states that have always reaped the greatest harvest of protection, advocating this measure that proposes to put on the free list every single article raised in the north-west."

"I want to deal with this matter in its entirety. If Pennsylvania, Mississippi and Massachusetts have joined hands in a new political propaganda, it is time for the rest of the country to strike out on a new track."

"If you can get enough senators on that side with you," returned Senator Bailey (Tex.), "we will take one of these bills now coming over from the house and make a whole new tariff law of it."

Senator Bailey declared there would be no adjournment until the senate has acted upon the free list bill and the woolen bill.

### FIND ARM AND BODY

First Human Remains Are Taken From Wreck of Maine.

Havana, June 20.—The first human parts to be recovered from the wreck of the American battleship Maine were discovered when workmen removing mud and debris from the spar deck just forward from the after-superstructures discovered the blackened and coral encrusted bones of a left forearm and right foot.

The bones were taken in charge by an undertaker and placed in a receptacle aboard the collier Leonidas. Of course, there is nothing to suggest identification, but it is hoped that this may be established by the subsequent discovery of other objects in the immediate vicinity.

The water in the cofferdam enclosing the wreck had been lowered fifteen feet below the normal. A superficial examination of the most recently uncovered portions has tended somewhat to revive the hope that it will prove possible to float the after half or more of the hull.

### DYNAMITE IN DUMAS' SAFE

Detectives Get More Evidence Against Suspect Mayor of Cass Lake.

Benidji, Minn., June 20.—Unsuccessful efforts to capture the bank robber who was wounded when detectives, who had laid a trap for him and his comrades when they broke into the postoffice at Puposky and the discovery of dynamite in the safe of Dr. D. T. Dumas, mayor of Cass Lake, said by detectives to be at the head of the two leading features of the case.

The Dumas safe was to have been opened by an expert from St. Paul, but at the last moment Dr. Dumas, who is at liberty on bail, consented to give the officers the combination. Six sticks of dynamite and four dynamite caps were found. An affidavit has been made by T. Dugas, a Cass Lake hardware merchant, that on Thursday of last week he sold Dr. Dumas fifteen sticks of dynamite. Detectives allege that Dumas cooked the nitroglycerine from nine sticks for use at Puposky.

### Bad Roads Cause Rush to City.

Washington, June 20.—The marked trend of the population from the rural districts to the cities, as disclosed by the 1910 census, is declared by Logan Waller Page to be the result of bottomless country roads. He also characterizes the "back to the farm" movement as a pailor fad, the truth being that, on account of primitive sanitation, ventilation and heating, the rural districts are not so healthful as the city.

## Free Dyspepsia Sample

Sufferers from indigestion are waking up to the fact that peppermint lozenges, charcoal and "dyspepsia cures" are only makeshifts in the cure of so troublesome a complaint as chronic indigestion. What is required is something that will not only relieve but which will tone and train the digestive apparatus to again do its work normally, and this these simple remedies cannot do.

There is something more to the cure of indigestion than sweetening the breath, and yet a remedy that only contains digestive ingredients will not cure permanently, as the basis of indigestion is poor bowel circulation, and that requires a scientific laxative. We know of no remedy that combines these requirements better than Dr. Caldwell's Syrup Pepsin, which has been sold for a quarter of a century.

Dr. Caldwell's Syrup Pepsin is a laxative tonic, a scientific blending of natural ingredients for the cure of constipation, indigestion, liver trouble, sour stomach, sick headache and similar complaints. Its ingredients will so strengthen and tone the stomach and bowel muscles that they will again do their work naturally, and when that has been accomplished your trouble is over. Fannie Stuart, Staunton, Va., was a long-time sufferer, as was O. Tuck, Blackburn, Va., and they both found their cure with this remedy. They became convinced that pills and tablets, salts, "dyspepsia cures," etc., were at best only temporary relief. They first accepted Dr. Caldwell's offer of a free sample bottle, which he willingly sends to anyone who forwards name and address. Later, having convinced themselves through the free sample, they bought Syrup Pepsin of their druggist at fifty cents and one dollar a bottle.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 509 Caldwell building, Monticello, Ill.

Falls City	17	10	.630
Clarinda	15	13	.536
Maryville	14	14	.500
Auburn	14	14	.500
Nebraska City	12	15	.444
Shenandoah	11	17	.393

### Yesterday's Results.

Shenandoah 8, Nebraska City 6.  
Clarinda 3, Falls City 7.  
Auburn 14, Maryville 2.

### Where They Play Today.

Maryville at Auburn.  
Falls City at Clarinda.  
Nebraska City at Shenandoah.

Auburn, Neb., June 20.—Auburn got fourteen runs yesterday, the result of sixteen hits off Maryville's pitchers. The local aggregation hit the ball hard throughout the game. Southward was relieved at the end of the fourth by Wray. Zanderman held the Maryville sluggers to six hits. Captain Dietz of the Comets was hurt in the third and retired in favor of Black, who caught a good game. The score:

R. H. E.  
Auburn .....31042103—14 16 2  
Maryville .....000100010—2 6 5  
Batteries—Zanderman and Mosser;  
Southward and Dietz, Wray and Black.  
Umpire—Kissane.

### Falls City Retains Lead.

Clarinda, Ia., June 20.—Falls City retained the lead in the league today by defeating Clarinda in a hard fought game. Score:

R. H. E.  
Clarinda .....200000001—3 4 4  
Falls City .....100101211—7 9 5  
Batteries—Smithson and Harmony;  
Woods and Vanderhill. Umpire—Fields.

### Shenandoah Wins.

Shenandoah, Ia., June 20.—Bunched hits in the third inning won today's game for Shenandoah. Score:

R. H. E.  
Shenandoah .....004100201—8 13 3  
Neb. City .....001220100—6 13 1  
Batteries—Corcoran, Lark and Castle; Wells, Miller and Herman. Umpire—Sage.

### Notes.

Pitcher Lark, a former Comet, has been released by the Falls City club. Shenandoah has him signed up for a tryout. The big boy seems to have a hard time getting on in the Mink. He is a good pitcher, but lacks experience.

Captain Dietz is having his share of tough luck this season. Just before he joined the team in May he injured his left hand and was out of the game three weeks. Dietz tore a finger nail off his right hand yesterday and also got his knee cap bumped. He will probably be out of the game for a week.

That Auburn aggregation was certainly hitting yesterday. Southward

was taken out in the fourth after eight runs had been scored. Dick Wray finished the game but could do little with the sluggers.

The Comets are getting cityfied. They have a hospital list.

Joe Wintz took sick last night and it is not known whether he will perform today. The team will be badly crippled without "Germany Joe's" services.

Johnny Wise will do the twirling for the Comets today and Black will be behind the bat.

Auburn tied the Comets for third place by winning yesterday.

## HOPKINS STEPS IN ON SAINTS' HIGHWAY

Mr. G. B. Roseberry was notified this morning by Mr. Ed Wolfers, Sr., that Hopkins would be in the "Saints Highway," and that he wished the signboards to be placed as soon as possible.

This move on the part of Hopkins makes a sixty-five mile drive from Maryville through Bedford and around.

The automobile owners in favor of the ridge road will be glad to hear of this step on the part of our northern neighbors.

## SOLD HIS POTATOES AT \$2.40 A BUSHEL

At least one Nodaway county farmer has benefited by the sharp rise in prices of potatoes during the last two weeks. H. Crawford, living near Ravenwood, drove to Maryville Tuesday morning with about half a load of potatoes and went back home with \$68 in cash. Mr. Crawford was feeling rather jubilant over his good fortune in getting his potatoes to market with the price as high as it is, and said he would immediately market the rest of his surplus, about 150 bushels. What he sold Tuesday morning brought him from \$2.00 to \$2.40 per bushel.

## TO COMMENCEMENT AND ALUMNI MEET

Rev. Father Henry Niemann of St. Patrick's Catholic church left Monday for Atchison, Kan., to be present at the annual meeting and banquet of St. Benedict's college. He will also attend the commencement exercises of Mt. Saint Scholastica's academy. One of the graduates is a member of St. Patrick's parish of this city—Miss Sarah McGettigan, a daughter of Judge Michael M. McGettigan, living north of Maryville.

Father Niemann will not return before the last of the week.

## POLAND-CHINA BOARD MEETING

The board of directors of the Standard Poland-China Record association is holding a meeting Tuesday afternoon in Maryville, in the office of the association's secretary, George F. Woodworth.

The members of the board are W. O. Garrett of Maryville, president; C. E. Tennant of New Hampton, Mo.; J. L. James of Braddyville, Ia.; S. McKelvie of Fairfield, Neb.; J. I. Roberts of Renfrow, Okla.; R. E. Maupin of Pattonsburg, Mo., and John B. Potter of Harper, Kan.

All the members are here except the gentleman from Oklahoma, who missed train connections in Kansas City Tuesday morning.

## PLENTY OF WORK FOR ATHLETES AT NORMAL

There will be plenty of work for the athletes at the Normal this summer. A tennis club was organized last Saturday. The playing schedule will be completed in a day or two and then the courts will be opened. The gymnasium classes will soon start, as some \$400 worth of apparatus has arrived and is being installed as rapidly as possible.

## PLANS ARE READY

CHAUTAUQUA PROGRAM FOR THIS FALL IS ABOUT COMPLETED.

## CAMPING TO BE FEATURE

Auditorium Tents Will Be 130x170 Feet, While the Family Tents Are Expected to Number Over 100.

The plans for this year's Chautauqua are now practically completed, and Prof. Landon looks for it to be a success. He has engaged all of his talent except the band numbers, and he hopes to have that matter attended to soon.

One of the musical features of the Chautauqua will be the morning concerts.

The tenting facilities have been arranged for and it is expected that the number of campers will exceed those of any previous year.

Two years ago there were one hundred tents engaged, and many more people expected to tent last year, had the Chautauqua been held in the Normal park. Mr. Landon has secured tents for this year ranging in size from the small single tent to a large six-room tent for the accommodation of families.

These tents are already being engaged and many more will be spoken for from now on. They are new and guaranteed to stand the weather.

The auditorium tent is 130x170 feet and will amply hold the audiences.

Mr. Landon is trying to work up a farmer boys' encampment under the supervision of Prof. Albert Hogan and Prof. John E. Cameron. This encampment will last for three days and the boys will be given a short course in a few of the principles of agriculture.

The experimental farm will be used as a demonstration ground, and actual observations can be made as to the value of the different methods of corn planting, tillage, crop rotation, and fertilization. It is hoped that this feature of the Chautauqua will meet with the favor of the boys of the surrounding country, and that a large encampment may be had.

## HIS 75TH BIRTHDAY

GEORGE S. BAKER CELEBRATED WITH FRIENDS MONDAY.

## IS A PIONEER BANKER

Organized the First Banking Business in the County—Has Always Been Successful.

George S. Baker, who for a half century has been a leading citizen, and business man of this city and county, celebrated his seventy-fifth birthday anniversary Monday. He held an informal "at home" all day at the Real Estate bank, where his friends called to extend congratulations and talk over old times while enjoying a good smoke with him. In the evening he was the guest of honor at a family dinner given by his daughter, Mrs. M. G. Tate.

Mr. Baker is in good health and does not near look his seventy-five years. He is the father of the great banking business that Nodaway county is distinguished for having, and the Real Estate bank, of which he is the organizer, is the only bank of that name in the United States.

Mr. Baker was born in Madison county, Kentucky, June 19, 1836, and came with his parents to this county in March, 1851. He began a business life for himself at the age of 15, and his success is due to a determination to win that has been tried and tested in many a hard struggle. He attended the common schools of our county whenever he had opportunity, and supplemented that schooling with the best reading he could find. He was successful as a farmer and stock raiser and in buying and selling stock, and it was in 1868 that he organized the first bank in the county, known as George S. Baker & Co., bankers, which afterward became the Nodaway Valley bank. In 1874 he organized another bank, known as Baker, Saunders & Co., which afterward became the Maryville National bank. In 1896 he organized the Real Estate bank. All of his business ventures have lived and are eminently successful.

He has many friends who are glad to know that the many busy years have worn him but little, and that he is still actively engaged in business.

## NOT MUCH DOING IN CIRCUIT COURT

Very little was done in circuit court Tuesday. The morning session was taken up with the calling of several cases which had to be postponed because of the absence of the parties in the case.

The parole of Levi Kelly was revoked and he was taken into custody by Sheriff Tilson.

The men empaneled for jury service were called at 1:30 in the afternoon and after some instructions by Judge Ellison court was adjourned for the day.

Mrs. P. L. Flite, living northeast of Maryville, left Tuesday morning for Garden City, Kan., to visit the families of Dr. Hamer and Edgar Pyle.

### RAVENWOOD.

We had a nice gentle rain Saturday, but the ground was so very dry a few hot days will make us need more moisture. All vegetation has been much benefited, especially gardens. Potatoes are already badly damaged. We have a fine prospect now for a large crop of corn.

Sunday was Home Coming day at Harmony church. We learn there was a large congregation present. The preaching by Rev. Foote of St. Joseph and Rev. Parvin of Maryville was good and the dinner very good, and plenty of it.

Sunday night was Children's day service at the M. E. church in Ravenwood. The audience was very large and the services highly enjoyed.

Mrs. Taylor, wife of Rev. R. C. Taylor of Oklahoma is visiting old friends here. Rev. Taylor was pastor of the M. E. church in Ravenwood four years.

Some of our best citizens are now advocating much improvement on some of our country roads, especially one commencing at Des Moines or some other northern point and passing through Nodaway county to St. Joseph. They have a very peculiar name for the road. I think they call it the "Saints Highway." I do not know the significance of the name. They will probably change it if they find one more appropriate.

### Is Guest of Nephew.

## IS ACTOR IN BELLE STOCK COMPANY

Mrs. Madeline Caffrey of Hopkins and her son, Frank Caffrey of Chicago, came to Maryville Sunday morning to be the guests of Mrs. Caffrey's cousin, Mrs. John H. Ale, and family. Mrs. Caffrey returned to her home Monday noon, but her son has remained for a few days longer.

Mr. Caffrey has been a member of the Belle Stock Theater company of Chicago during the past year and will play in the same company the coming year. He had character parts in "Du Barry," "Damon and Pythias," "Polly of the Circus" and other equally good plays. He is working to show himself worthy a high place in his profession, and if his student record of the past is a criterion, he will accomplish his purpose.

He is a graduate of Northwestern university, from the department of oratory, finishing in the class of 1910. Before going to Northwestern university he was a student at Baker university of Baldwin, Kan., and was a member of the university ball team.

Mr. Caffrey talks very interestingly of his work and believes the theatrical stage is gradually becoming a great service for good to the public. He is among those who are endeavoring to give to the world the best things the best writers and thinkers are capable of producing. He considers "A Servant in the House" the greatest play on the stage today.

Mr. Caffrey was born in Maryville, and of course stands in line with all who have preceded him in making good and is bound to succeed.

Ora Saylor of Hopkins spent Sunday in Maryville, the guest of Judge and Mrs. J. H. Saylor. He was accompanied home by Miss Doris Saylor for a few days' visit. They were accompanied as far as Hopkins by Miss Vera Saylor, who returned to her employment in Albia, Ia., after a week's vacation visit with her parents, Judge and Mrs. Saylor.

Mrs. S. B. Moore and baby boy, Lester Burdine, living on South Market street, left Monday evening for Uniontown, Kan., for a month's visit with her sister-in-law, Mrs. C. F. Ashford.

Mrs. W. M. Snyder and children, Helen and Harold, of Barnard, visited in Maryville Monday at the home of her husband's parents, Mr. and Mrs. Richard Snyder.

Miss Martha Koch, Miss Ora Barman and Miss Frances Keeler are at home from their school work at Sacred Heart convent at St. Joseph, for the vacation months.

Miss Ella Walton Frank, who has returned from her studies at Drake university, was accompanied home by a classmate, Miss Eva Williams, formerly of this city, but now of Des Moines. Miss Frank made her home with the Williamses while there.

## PACKERS MUST STAND TRIAL

Motion of Chicago Men to Set  
Aside Indictments Overruled.

CASE COMES UP IN OCTOBER.

Motion of J. Ogden Armour and Nine Others for Rehearing Based Upon the Recent Decision of Supreme Court is Denied by Judge Carpenter.

Chicago, June 20.—Judge George A. Carpenter in the United States district court denied a motion of J. Ogden Armour and nine other Chicago packers for a rehearing of their motion to quash indictments charging violation of the Sherman anti-trust act. This means the packers must stand trial.

No written opinion had been prepared by Judge Carpenter and he gave no reason for his finding. It is now expected the trial will be reached about next October.

The latest motion of the packers for a rehearing of their motion to quash the indictment was based upon recent decisions of the United States supreme court in the Standard Oil and American Tobacco cases that the word "unreasonable" had been held within the meaning of the statute.

The counsel for the packers held that there had been no "unreasonable" restraint of the packing industry and that a new hearing should be granted. They also pleaded that the provisions of the Sherman act were too indefinite to warrant the return of indictments or prosecution for alleged violation of its prohibitions.

The packers under indictment and who were moved nearer to trial by the decision are: J. Ogden Armour, president of Armour & Co.; Louis F. Swift, president of Swift & Co.; Edward F. Swift, vice president of Swift & Co.; Charles H. Swift, director of Swift & Co.; Edward Tilden, president of the National Packing company; Arthur Meeker, general manager of Armour & Co.; Edward Morris, president of Morris & Co.; Francis A. Fowler, director of Swift & Co.; Thomas J. Connors, superintendent of Armour & Co.; Louis H. Heyman, manager of Morris & Co.

### M'NAMARA KIDNAPERS HELD

Court Orders Grand Jury to Consider Case Further.

Indianapolis, June 20.—Judge Markey of the criminal court issued an order that J. A. G. Badoff and Walter Drew, who are connected with the National Erectors' association; Assistant District Attorney Ford of Los Angeles and Frank Fox, who drove the automobile that carried John J. McNamara out of town at the time of his alleged kidnaping, are to be held until the court has taken time to examine the testimony taken in their cases by the grand jury.

The grand jury discharged the men, but Judge Markey instructed the next grand jury to resume the investigation as to their conduct.

Judge Markey also instructed the surety company on the bonds of Detective W. J. Burns to have Burns in court by July 15, by reason of his indictment on kidnaping charges.

### Wheat Damage Sends Market Up.

Chicago, June 20.—Sensational reports of crop damage in the northwest made the wheat market go skyward. Closing prices were strong at a net advance of 1/16 to 2/16. According to some authority the crop in the rich Jim river valley, South Dakota, has been almost entirely destroyed. Other large sections in the same state and through southern Minnesota and northern Iowa were also reported to be in a bad way.

# A Big June Sale of New Axminster Rugs in Fall 1911 Patterns

AN opportunity was presented to us whereby we were enabled to get our new axminster rugs for fall at a very favorable price, and to have them shipped at once, six weeks earlier than usual. They arrived late yesterday and will be placed on sale for the remainder of June at prices that make them most unusual values.

In the entire shipment, and it was a big one, there is

not one pattern that we have every shown before

Every pattern is absolutely new and different, whether it is a floral, an oriental or a persian, and there are no duplicates. The softest of colorings are used to make the harmonious color combinations which are drawn by the very best designers. Rugs suitable for every purpose are in this assortment. An idea of the size of the shipment may be gained when it is known that in the 9x12 size there are

four entirely different grades represented by four prices:

\$20 \$22.50 \$25 \$27.50

As complete a showing as will be found in any large city and at prices that are decidedly lower.

For instance, take the axminster rugs that we price at \$25 and \$27.50. In any large city these rugs, in exactly the same quality, are always sold in a regular way for \$32.50 and \$30 each. The patterns we show are the very highest grade, orientals, florals and persians, such as you will not find outside of the large cities. This is a concrete example of our policy that when you buy here you get the advantage of city assortments and our low prices. It is only by buying in large quantities that we are able to command such favorable value.

The rugs we quote at \$20 and \$22.50 are from \$5 to \$7 cheaper than regular prices. The patterns are exclusive effects in rich soft browns, tans, greens, reds, etc.,—not one undesirable pattern in the lot, in fact, they are the best we have ever had on our floor.

Tomorrow morning we will have the first showing of these axminster rugs, in the fall 1911 patterns, at these prices. Even if you are not prepared to buy rugs now we cordially invite you to come and see the new patterns.

Every rug is new; every rug is the best quality;  
every rug is an unusual value.

## GOOD MEETINGS IN PROGRESS AT BEDISON

The revival services in the Christian church at Bedison is progressing in interest with every service, the congregations are growing larger even in this busiest time of the year. The meetings are being conducted by District Evangelist J. A. McKenzie, formerly pastor of the Mitchell Park Christian church, St. Joseph, and for six years state evangelist of Iowa. His sermons are scriptural and instructive, and many are explained by the use of charts and other means of explanation. The evangelist gives a five minute object lesson to the children before each sermon that is received with pleasure and profit by young and old.

It is expected to revive the work at this place, secure a pastor and continue the services in the church. Already a very interesting and helpful Bible school is being conducted in the church, under the superintendency of Tommy Young and a corps of competent teachers. The outlook is promising for a good church at this place. There has not been a preaching service in the church for over one year, and the people are hungry for the Gospel. The community is composed of some of the most prosperous and intelligent people in the state of Missouri, and they are anxious that the gospel be preached. We most cordially invite the public to attend our services. We begin at 8 p. m. and close at 9, or as nearly as we can. It is a busy time, we know, but it ought never to be too busy to look after the welfare of our children and our own salvation. We will have to meet God some time, and it will be a poor excuse to tell Him we were too busy to do His work. Your soul is worth more to you than all the world. Come and enjoy these meetings.

A. M. E. CONFERENCE  
IN SESSION HERE

The district conference, Sunday school convention and Woman's Mite Missionary society of the St. Joseph district of the African M. E. church met in joint session at 9 o'clock this morning in the A. M. E. church, of which Rev. J. R. Carter of this city is pastor.

Devotional exercises were conducted by Rev. L. H. Harris, after which Dr. R. L. Real, the presiding elder of the St. Joseph district, preached his annual sermon, which was full of power and spirituality.

After the administration of the holy sacrament the Rev. B. R. Monroe of Gallatin was elected secretary, and the district conference proper was opened and proceeded to business.

Rev. Hamilton, Rev. Brooks and Rev. Brown read papers which were discussed.

Miss Edna Cooper of Trenton is superintendent of the Sunday school convention, and Mrs. John A. Gregg of St. Joseph is president of the Woman's Mite Missionary society.

The district conference holds its sessions in the mornings, the Sunday school convention in the afternoons, while the Mite Missionary society will hold its sessions during the entire day on Friday. Each evening special programs will be rendered.

Quite a number of delegates are already in the city, and more are expected during the week.

## Typewriting Demonstration.

Mr. Holland and Mr. Hoyt of Kansas City gave a demonstration in expert typewriting at the Business college yesterday. Mr. Hoyt is the amateur champion of the world, and it was amazing to see him operate the machine. Mr. Hoyt wrote from unfamiliar copy at the rate of 120 words per minute without error, and 130 words per minute with one mistake. On familiar matter Mr. Hoyt wrote 207 words per minute blindfolded. Mr. Hoyt uses the touch method as taught in the Business college. The demonstration was much appreciated by students of the college, and served to arouse their enthusiasm and stimulate their energy. Mr. Hoyt won the amateur championship of the world at Madison square garden, New York, in October, 1910, at which time he wrote 94 words per minute for 30 minutes without error.

WORK ON NEW FLOORS  
NEARING COMPLETION

Nearly all of the concrete flooring in the Normal building has been re-laid and the small amount to be finished will be completed during the vacation in August. The old floors were very poor and cracked soon after completion. The new ones have been put in in good shape and are now being thoroughly tested. A large sand box is placed on a section of the floor and filled with sand to the extent of a pressure of two hundred pounds to the foot. If the floors do not stand the strain they will be strengthened at once.

**GRAY HAIR MAKES YOU LOOK OLD**

A Simple Remedy Brings Back the Natural Color—Dandruff Quickly Removed.

How often one hears the expression, "She is gray and beginning to look old." It is true that gray hair usually denotes age and is always associated with age. You never hear one referred to as having gray hair and looking young.

The hair is generally the index of age. If your hair is gray, you can't blame your friends for referring to you as looking old. You can't retain a youthful appearance if you allow your hair to grow gray. Many persons of middle age jeopardize their future simply by allowing the gray hair to become manifest. If your hair has become faded or gray, try Wyeth's Sage and Sulphur Hair Remedy, a preparation which a chemist by the name of Wyeth devised a few years ago. It is simple, inexpensive and practical, and will banish the gray hairs in a few days. It is also guaranteed to remove dandruff and promote the growth of the hair.

It is a pleasant dressing for the hair, and after using it a few days itching and dryness of the scalp entirely disappear. This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Special Agent, Koch Pharmacy.

## TEN MILLIONS FOR HAVEMEYER

Organizer of Sugar Trust Given This Amount in Stock.

JAMES H. POST TELLS OF DEAL

In the Meantime It Has Paid Two and a Half Millions in Dividends—Spitzer Tells History of Sugar Weighing Frauds.

Washington, June 20.—With two separate committees of the house delving into the history and operations of the American Sugar Refining company and other sugar corporations, there were brought out surprising tales of riches made over night and vivid stories of alleged frauds against the government.

The special sugar trust investigating committee continued its inquiry into the formation and workings of the big sugar corporations, having before it as a witness James H. Post, president of the National Sugar Refining company of New Jersey.

The committee on expenditures in the treasury department began work on another angle of the investigation, that of the recent weighing frauds at the port of New York, questioning Oliver Spitzer, one of the American's dock superintendents, who was convicted and later pardoned by the president.

Mr. Post told how H. O. Havemeyer had been rewarded for forming the National Sugar Refining company of New Jersey by stock in the refinery worth \$10,000,000, stock which since had earned in dividends \$2,500,000 more. Mr. Post insisted that the \$10,000,000 did not represent only a promoter's profit. Pressed for some explanation of what it did represent, he finally answered:

"Well, here were three refineries put together."

Asked how Havemeyer got possession of the stock, the witness replied: "I sent it to him a few days after I received it."

Spitzer told the committee on expenditures in the treasury department the entire history of the sugar weighing frauds, describing dishonest weighing schemes employed on the sugar docks as far back as 1885.

Denies Attempt to Fix Prices.

That the government has erred in its facts in the formal petition seeking the dissolution of the American Sugar Refining company was the declaration of James H. Post, president of the National Sugar Refining company of New Jersey, when he appeared before the house sugar trust investigating committee.

Mr. Post denied the allegation contained in the government's petition that he was the agency through which in 1894 an attempt was made by two great refining companies to control the sugar market.

Chairman Hardwick of the committee questioned Mr. Post as to the alleged manner in which he, as the head of the National Sugar Refining company in 1894, effected a deal by which his company and the American Sugar company agreed to limit the output of refined sugar and fix prices.

"There is no foundation for that," declared Mr. Post.

### Large Body of Water.

The organization of the New Jersey corporation was taken up. The capitalization of the new company, Mr. Post testified, was \$20,000,000, divided equally between preferred and common stock. The companies taken in were capitalized at between \$3,000,000 and \$4,000,000.

"And the difference was water?" inquired Mr. Hardwick.

"No," was the reply. "The companies had valuable properties."

The property of the New York Sugar Refining company, one of the companies bought, Mr. Post said, was worth \$2,500,000, while only \$2,125,000 was paid for it.

"Why was that?" Chairman Hardwick asked.

"It was because competition had been keen."

"And this organization was effected to avoid competition?"

"It had that effect."

### TROOPS GO TO CASES GRANDE

They Will Recapture Town Occupied by Band of Magonistas.

El Paso, Tex., June 20.—Three hundred insurrecto troops left Juarez for Casas Grandes, 150 miles south, where the town was taken Sunday by a band of "Unreconstructed" Magonistas. The last of the insurrecto troops in that vicinity marched to Chihuahua Saturday when Pancho Villa and his command were absent.

There is to be no campaign against the Magonistas in Lower California, for the reason that the Magonistas and other socialists are not going to fight any more. Francisco I. Madero telegraphed General Viljoen to cease preparations for taking an army to Lower California.

### See Outlines Defense.

Chicago, June 20.—Counsel for Evelyn Arthur See, founder of the "Absolute Life" cult and now charged with abduction of Mildred Bridges, outlined the plan of defense when his trial was resumed. The attorneys declared See was being made the victim of a conspiracy by police and press.

## OPEN REVOLT ON RECIPROCITY BILL

Senator Dixon of Montana Voices Republican Opposition.

THREATEN TO LOWER DUTIES.

Will Help Minority if Measure Passes. Declare It Is Only Fair That Farmer Should Be Able to Buy Supplies Cheaply.

Washington, June 20.—Republican opposition to the Canadian reciprocity bill in the senate reached the stage of open revolt. Led by Senator Dixon (Mont.), who again failed in his demand for an explanation or a speech in favor of the bill from some of the Republican leaders who champion the measure, the Republican opponents declared that if the bill passed, many Republicans would join the Democrats in an attempt to lower the duties on all manufactured products.

"When the cornerstone is pulled out of the system of protective tariff," said Senator Dixon, "when the farmers' products are thrown into a free market, while his purchases continue to be protected, there are many good protectionists in the Republican party who will vote to have the duties pulled down on iron and steel, chemicals, cotton and many other things."

Other northwestern Republicans signified by their approval of the Montana senator's words that the passage of the reciprocity bill, which it is admitted will have a majority of the votes in the senate, will be attended with a fight that threatens to throw open the whole tariff subject.

"We want to make one killing," declared Senator Crawford (S. D.). "We find the senators from Pennsylvania, New York, Connecticut, Massachusetts and Maine, states that have always reaped the greatest harvest of protection, advocating this measure that proposes to put on the free list every single article raised in the northwest."

"I want to deal with this matter in its entirety. If Pennsylvania, Mississippi and Massachusetts have joined hands in a new political propaganda, it is time for the rest of the country to strike out on a new track."

"If you can get enough senators on that side with you," returned Senator Bailey (Tex.), "we will take one of these bills now coming over from the house and make a whole new tariff law of it."

Senator Bailey declared there would be no adjournment until the senate has acted upon the free list bill and the woolen bill.

### FIND ARM AND BODY

First Human Remains Are Taken From Wreck of Maine.

Havana, June 20.—The first human parts to be recovered from the wreck of the American battleship Maine were discovered when workmen removing mud and debris from the spar deck just forward from the after-structures discovered the blackened and coral encrusted bones of a left forearm and right foot.

The bones were taken in charge by an undertaker and placed in a receptacle aboard the collier Leonidas. Of course, there is nothing to suggest identification, but it is hoped that this may be established by the subsequent discovery of other objects in the immediate vicinity.

The water in the cofferdam enclosing the wreck had been lowered fifteen feet below the normal. A superficial examination of the most recently uncovered portions has tended somewhat to revive the hope that it will prove possible to float the after half or more of the hull.

### DYNAMITE IN DUMAS' SAFE

Detectives Get More Evidence Against Suspect Mayor of Cass Lake.

Benidji, Minn., June 20.—Unsuccessful efforts to capture the bank robber who was wounded when detectives, who had laid a trap for him and his comrades when they broke into the postoffice at Puposky and the discovery of dynamite in the safe of Dr. D. T. Dumas, mayor of Cass Lake, said by detectives to be at the head of an organized band of criminals, were the two leading features of the case.

The Dumas safe was to have been opened by an expert from St. Paul, but at the last moment Dr. Dumas, who is at liberty on bail, consented to give the officers the combination. Six sticks of dynamite and four dynamite caps were found. An affidavit has been made by T. Dugas, a Cass Lake hardware merchant, that on Thursday of last week he sold Dr. Dumas fifteen sticks of dynamite. Detectives allege that Dumas cooked the nitroglycerine from nine sticks for use at Puposky.

### Bad Roads Cause Rush to City.

Washington, June 20.—The marked trend of the population from the rural districts to the cities, as disclosed by the 1910 census, is declared by Logan Waller Page to be the result of bottomless country roads. He also characterizes the "back to the farm" movement as a parlor fad, the truth being that, on account of primitive sanitation, ventilation and heating, the rural districts are not so healthful as the city.

## Free Dyspepsia Sample

Sufferers from indigestion are waking up to the fact that peppermint lozenges, charcoal and "dyspepsia cures" are only makeshifts in the cure of so troublesome a complaint as chronic indigestion. What is required is something that will not only relieve but which will tone and train the digestive apparatus to again do its work normally, and this these simple remedies cannot do.

There is something more to the cure of indigestion than sweetening the breath, and yet a remedy that only contains digestive ingredients will not cure permanently, as the basis of indigestion is poor bowel circulation, and that requires a scientific laxative. We know of no remedy that combines these requirements better than Dr. Caldwell's Syrup Pepsin, which has been sold for a quarter of a century.

Dr. Caldwell's Syrup Pepsin is a laxative tonic, a scientific blending of natural ingredients for the cure of constipation, indigestion, liver trouble, sour stomach, sick headache and similar complaints. Its ingredients will so strengthen and tone the stomach and bowel muscles that they will again do their work normally, and when that has been accomplished your trouble is over. Fannie Stuart, Staunton, Va., was a long-time sufferer, as was O. Tuck, Blackburn, Mo., and they both found their cure with this remedy. They became convinced that pills and tablets, salts, "dyspepsia cures," etc., were at best only temporary reliefs. They first accepted Dr. Caldwell's offer of a free sample bottle, which he willingly sends to anyone who forwards name and address. Later, having convinced themselves through the free sample, they bought Syrup Pepsin of their druggist at fifty cents and one dollar a bottle.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 509 Caldwell building, Monticello, Ill.
